May Newsletter

First let me offer apologies for no April news, it was very busy here with new babies being born & lots of people having the lurgy & I just ran out of time.

We have lots of things planned for the next couple of months, as well as your regular weekly lessons. We currently have some spaces in our Sunday morning lessons and on Wednesdays & Thursdays after school at 4.30. We also run lessons on weekday mornings from 10am – 12 noon.

Pony Club

Want to learn more about looking after your pony? Gain badges to prove what you can do. Then join our Pony Club on Saturdays. This is open to all riders aged from 4 – 16 and is a fantastic way to learn more about ponies & their care. Each session includes a 30 minute riding lesson.

Saturdays 2.45 – 5pm £25

May	5	12	19	26
June	2	9	16	30

The Own A Pony day on Tuesday 5th June will incorporate Pony Club riding & progression tests for any Pony Club member who wishes to attend.

Please can you pre book if you wish to attend a pony club session as it makes it very difficult to plan pony care sessions if we don't know who is coming. It does not matter if you can't come each week but we would like to know by 5pm on the Thursday before each session if you wish to attend.
